School Climate & Culture Survey

The School Climate & Culture Survey is structured around 10 different Dimensions or topics. Each Dimension represents a distinct line of questioning. Each question tiers up to and is part of one of these dimensions.

Survey Dimensions:

- School Pride
- Internal Communication
- Parent Connections
- Work Environment
- Organization Dynamics
- Accountability
- Meeting Student Needs
- Readiness for Change
- Direction of the Organization
- Leadership Dynamics
Sample Questions:

- I would recommend my school to a family member seeking a school for their children.
- I have time available during the school day to collaborate with my peers regarding curriculum and instruction practices.
- The parents at my school are very involved in their child’s school life.
- My peers exhibit a strong belief that all students can excel if we all do our jobs well.
- I am encouraged to try new ways of doing things.
- My principal has a good understanding of my strengths and weaknesses.
- Teachers actively use student achievement data in collaboration with peers on a regular basis.
- Staff development opportunities at my school or district are very relevant to my work.
- I believe student achievement in my school will improve significantly over the next 3 years.
- School leadership encourages us to share ideas and opinions.
- List three things your school / school district should do in order to improve student achievement.
